Dear Friend,

Was truly glad to get  
your card. We are all as  
well as usual at this time.  
I am a little worn out, as I  
have been sitting with  
the sick a little Aunt  
Jane Webster is very poorly.  
I sure did you a merry good  
Christmas and did you get  
any thing for Christmas  
tell Wendell Wells for me.  
did the Doctor tell you  
how I played off on him  
when he was there last fall  
at the mustache camp. ask him  
about it if he never told you.  
well I will close wishing you  
a happy New Year with love  
from your friend.
